

FREQUENCIES IN USE IN THE GREAT FALLS MT AREA

THE FINE PRINT: Reception of some of these listed frequencies and/or disclosure of conversations heard may be considered to be illegal under certain local, state, or federal laws. Possession and/or operation of a "scanner" type receiver may also be illegal under certain circumstances. The information listed below was compiled using several sources, including FCC Databases, Internet Websites, and local monitoring for active frequencies. Therefore, this list is intended only as a guide. There is no guarantee as to the correctness, accuracy, or completeness of the data contained herein. Duplicate Frequencies are not necessarily an error - they may be a shared "Common Carrier" business frequency.
